PERFORMANCE INFORMATION

KEY STRATEGIES

1. Advocacy - involves setting the environment for the effective engagement of various stakeholders and intermediaries towards an active participation to social protection issues and actions.

This includes:

a. Implementation of an advocacy plan to support the Department's legislative agenda in coordination with the offices / bureaus / services / units (OBSUs) and field offices and concerned stakeholders; and

b. Monitoring and lobbying for the immediate approval and enactment of SWD priority legislative measures including the SWDAs Act, the Public Solicitation Act and the Philippine Adoption Code.

2. Convergence - is a strategy of pooling together the efforts and resources from various stakeholders - government, private sector, non-government and people's organizations and other members of civil society to address the needs of the poor and the disadvantaged. Specifically, the Department seeks to:

- a. Operationalize convergence of DSWD poverty reduction programs (Tatsulo) and protective services, i.e. Social Pension, Supplementary Feeding, Government Internship Program for Youth (GIP) and other center-based and community-based programs; and
- b. Explore the expansion of Sustaining Interventions in Poverty Alleviation and Governance (SIPAG) Project in the case management of Pantawid Pamilya households.

GENERAL APPROPRIATIONS ACT, FY 2016

3. Multi-sectoral approach to deliver basic social services to the poor - is the creation of opportunities for partnerships with other sectors. This would involve:

a. Expanding public-private partnerships through the BANTAY, TULAY, GABAY and KAAGAPAY framework in the implementation of social protection programs;

b. Enhancing capacity to generate and manage technical assistance (TA) and other resources covered by loans, grants and special agreements; and

c. Facilitation of access to TA grants in support of core social protection programs.

4. Capacity Building - involves provision of the technical assistance or resource augmentation to different stakeholders / intermediaries such as local government units, non government organizations and people's organizations to improve the implementation of social protection programs and projects.

Specifically, it will be done through:

a. Continuous capacity building program for Municipal Social Welfare and Development Officers (MSWDOs) in convergence areas.

5. Improving Delivery System and Capacities - involves continuing improvement of the knowledge management system and management information of the Department for easy access by partners and intermediaries. This would include the following:

a. Institutionalization of the Unified Results Based Monitoring and Evaluation System that will keep track of the progress and evaluate the Department's performance in achieving its targets;

b. Development of feedback systems for intermediaries, CSOs and legislators in developing services related to policy, technical assistance and resource augmentation;

c. Maintenance of reliable and comprehensive data in all sectors (trafficked persons, children in conflict with the law (CICL), persons with disabilities (PWD) and senior citizens); and

d. Fully implement an integrated and interoperable information and system for frontline and back office support services and provide greater access to our partners and publics to the vital data and information they need.

6. Quality Management System - Maintain and sustain the established Quality Management System (QMS) ISO Certified (9001: 2008) in the provision of regulatory services of the DSWD Specifically the frontline services of the Department such as registration, licensing and accreditation of SWDAs.

7. Performance Governance System - Balanced Scorecard
