

Pantawid Pamilyang Pilipino Program

The Pantawid Pamilyang Pilipino Program (Pantawid Pamilya) - the Philippines' conditional cash transfer (CCT) program is the flagship social protection program of the government aimed to break intergenerational transmission of poverty through the provision of cash grants based on the households' compliance with conditionalities on health, education, and family development sessions. Launched in 2008, the program is primarily designed to improve human capital of households with pregnant women and children 0-18 years old.

The government has continuously increased the budget for the Program from Php 62 billion in 2016 to Php 89 billion, an increase of Php 27 billion this year. The increase includes the provision of rice allowance to all active and compliant Pantawid Pamilya households. Each active and compliant household is entitled to receive Php 600.00 monthly cash rice subsidy, equivalent to around 18 kilos of rice. The Table 1 below show the program's household coverage and corresponding budget from 2016-2018.

Table 1. Pantawid Pamilya Household Coverage and Budget (2016-2019)

Year	Target Household	Annual Budget (Php)
2016	4,620,630	62,665,628,000
2017	4,402,253	78,186,551,000
2018	4,400,000	89,408,303,000
2019*	4,400,000	88,106,324,000

*FY 2019 NEP

Pantawid Pamilya, is on its 10th year of implementation. From 160 cities and municipalities in 28 provinces in the 17 regions of the country covered in 2008, as of June 2018, the program already cover 41,620 barangays in all 144 cities and 1,483 municipalities of 80 provinces nationwide. Table 2 shows the program coverage as of June 2018.

Table 2: Pantawid Pamilya Geographic Coverage as of 30 September 2018

Geographic Area	Nationwide Count	Target Areas	Actual Areas	Percentage of Coverage (%)
Region	17	17	17	100.00
Province	81	80 ¹	80	100.00
City	145	145 ²	145	100.00
Municipality	1,489	1,483	1,483	100.00
Barangay	42,044	41,999	41,539	98.9

¹ The Province of Batanes was not covered by program because of its high Human Development Index and Zero Poverty Incidence (PSA-NSCB, 2009).

² The island municipality of Kalayaan, Palawan was not covered because there are only 12 households (PSA-NSO, 2007).

Table 3: Household Coverage (Regular CCT and MCCT) as of 31 December 2018

Region	Targets			Accomplishment			Accomplishment Rate
	RCCT	MCCT	Total	RCCT	MCCT	Total	
NCR	230,281	3,485	233,766	205,815	2,758	208,573	89.22%

VII	252,346	29,420	281,766	246,988	27,552	274,540	97.44%
VIII	264,709	20,827	285,536	249,078	19,370	268,448	94.02%
IX	292,530	30,768	323,298	274,304	26,571	300,875	93.06%
X	253,652	19,009	272,661	237,332	17,649	254,981	93.52%
XI	234,382	29,556	263,938	224,286	27,458	251,744	95.38%
XII	231,862	23,016	254,878	205,472	20,428	225,900	88.63%
CARAGA	177,270	11,277	188,547	166,899	10,056	176,955	93.85%
ARMM	390,940	27,370	418,310	327,911	21,740	349,651	83.59%
Total	4,164,711	235,289	4,400,000	3,883,897	210,797	4,094,694	93.06%

During the Period 5 (October and November 2018) there are 4,094,694 are active or 93.26% of the 4,000,000 households targeted for 2018. Of the total active households, 3,883,897 are covered by the Regular Conditional Cash Transfer (CCT) while 210,797 are covered by the Modified Conditional Cash Transfer (MCCT).

The decrease in the number of household is primarily due to being no longer eligible children to Pantawid Pamilya, wherein the households's last child/ren being monitored has/have already reached 19 years old or graduated from high school. Moreover, there are also households that are non-compliant to program conditionalities (education, Health and Family Development Session). Reasons for non-compliance in education condition are the following: (1) lack or loss of interest in school; (2) cutting classes; (3) beneficiaries are registered in other facility; and (4) sick; and. For health, major reasons for non-compliance are the following: (1) Parents did not follow the schedule set by the Midwife/Doctor; (2) Beneficiaries are not in the area during scheduled check-up; (3) beneficiary registered under other facility; (4) parents are not available because of their work/livelihood. Also, the number of active beneficiaries decreased due to natural attrition such as children graduating from high school or reaching 19 years old yet there is no added/replaced beneficiaries from CY 2017 to date.

The logo consists of three stylized human figures in red, yellow, and blue, positioned to the left of the program name.

Sustainable Livelihood Program

The Sustainable Livelihood Program (SLP) is a community-based capacity building program adopting the community-driven enterprise development approach, which equips household participants to actively contribute to production and labor markets by looking at available resources and accessible markets. It facilitates interventions that expand the livelihood asset base of households (i.e., human, social, physical, natural, and financial capital) in order to capacitate them for a gainful employment or successful management of microenterprise. It operates through the Microenterprise Development and, Employment Facilitation track.

Key Modalities

Technical-Vocational Skills Training

SLP provides capacity building to equip its partner participants with the appropriate skills for increased employability or for better management of their microenterprises.

Seed Capital Fund

SLP provides a capacity building grant for the microenterprise development of its partner participants, in particular for setting up a credit and savings facility and/or managing an individual or group enterprise.

Pre-employment Assistance

SLP assists participants in accessing employment opportunities with potential or guaranteed employers by providing financial assistance for the prompt acquirement of the necessary job application requirements.

Cash for Building Livelihood Assets

SLP provides short-term employment to partner participants for the development, rebuilding, and/or protection of physical and natural assets which may be used by the participants and their community for profitable and sustainable livelihood projects.

Notes:

1. For CY 2018, the physical targets covers the Pantawid and Non-Pantawid but identified poor in Listahanan households;
2. Total accomplishment for 2018 covers all fund sources (continuing funds). For 2018 GAA fund, 2,827 households were served.

Kalahi CIDSS – National Community-Driven Development Program (KC – NCDDP)

Kalahi CIDSS - National Community-Driven Development Program (KC-NCDDP) is a poverty alleviation program of the Government of the Philippines being implemented by DSWD which aims to empower communities in targeted poor and disaster-affected municipalities to achieve improved access to services and to participate in more inclusive local planning, budgeting, implementation, and disaster risk reduction and management.

This is done through KC-NCDDP activities that help advance the goal of promoting wide-scale reduction of poverty and vulnerabilities in the target municipalities. Along the Community Empowerment Activity Cycle (CEAC), the Program provides assistance by enhancing community and LGU capacity and through providing seed funding for community implementation of priority social infrastructure sub-projects that help reduce poverty and improving sustainability. Anchored on the community-driven development (CDD) approach, it also addresses LGU responsiveness to community needs by mobilizing communities and adapting participatory strategies that reduce existing gaps in social inclusion, transparency, accountability and people's participation in priority-setting, design, planning, implementation, and operation and maintenance of community development projects and activities.

Project Components

- Capacity-Building and Implementation Support (CBIS) to assist barangays and LGUs facilitate the participation of communities in project activities, strengthening transparency and social inclusiveness.
- Community Grants to fund social preparation and planning activities of communities and implementation of small-scale community projects (LGUs and community beneficiaries contribute cash, labor and materials).
- Program Management and Monitoring and Evaluation to cover costs at the regional and national levels, for supporting, supervising and monitoring CDD operation. Also covered in this component is the cost of evaluating and verifying local outcomes from CDD implementation.

Table 5: Summary of KC-NCDDP Physical Accomplishment as of 31 December 2018

Region	CY 2018			
	No. of Municipalities	No. of Barangays	Completed Sub-Projects	Household Beneficiaries
CAR	37	477	219	20,314
I	11	133	41	4,406
III	3	64	20	11,292
IV-A	23	771	125	45,785
IV-B	67	1,278	334	135,375
